CONTENTS

VOLUME 29, 1950.

No. 1

Palæobotany in India—VII : Progress Report for 1947-48Mrs. S. Sahni and R. V. Sitholey.	1
The occurrence of the persistent pollen tubes in <i>Hydrilla</i> , <i>Ottelia</i> and <i>Berhaavia</i> , together with a discussion of the possible significance of this phenomenon in the life history of angiosperms...P. Maheshwari and B. M. Johri.	47
Studies in crop physiology : Growth, water relation and nutrition of turmeric plant.....K. N. Lal and T. K. Raghavan.	52
Contribution to the embryology of the Liliaceæ. I. Develop- ment of the embryo-sac and endosperm of <i>Albuca trans- valensis</i> Moss-Verdoorn.....A. M. Eunus.	68
A contribution to the life history of <i>Ottelia alismoides</i> PersAhmad Shamsul Islam.	79

No. 2

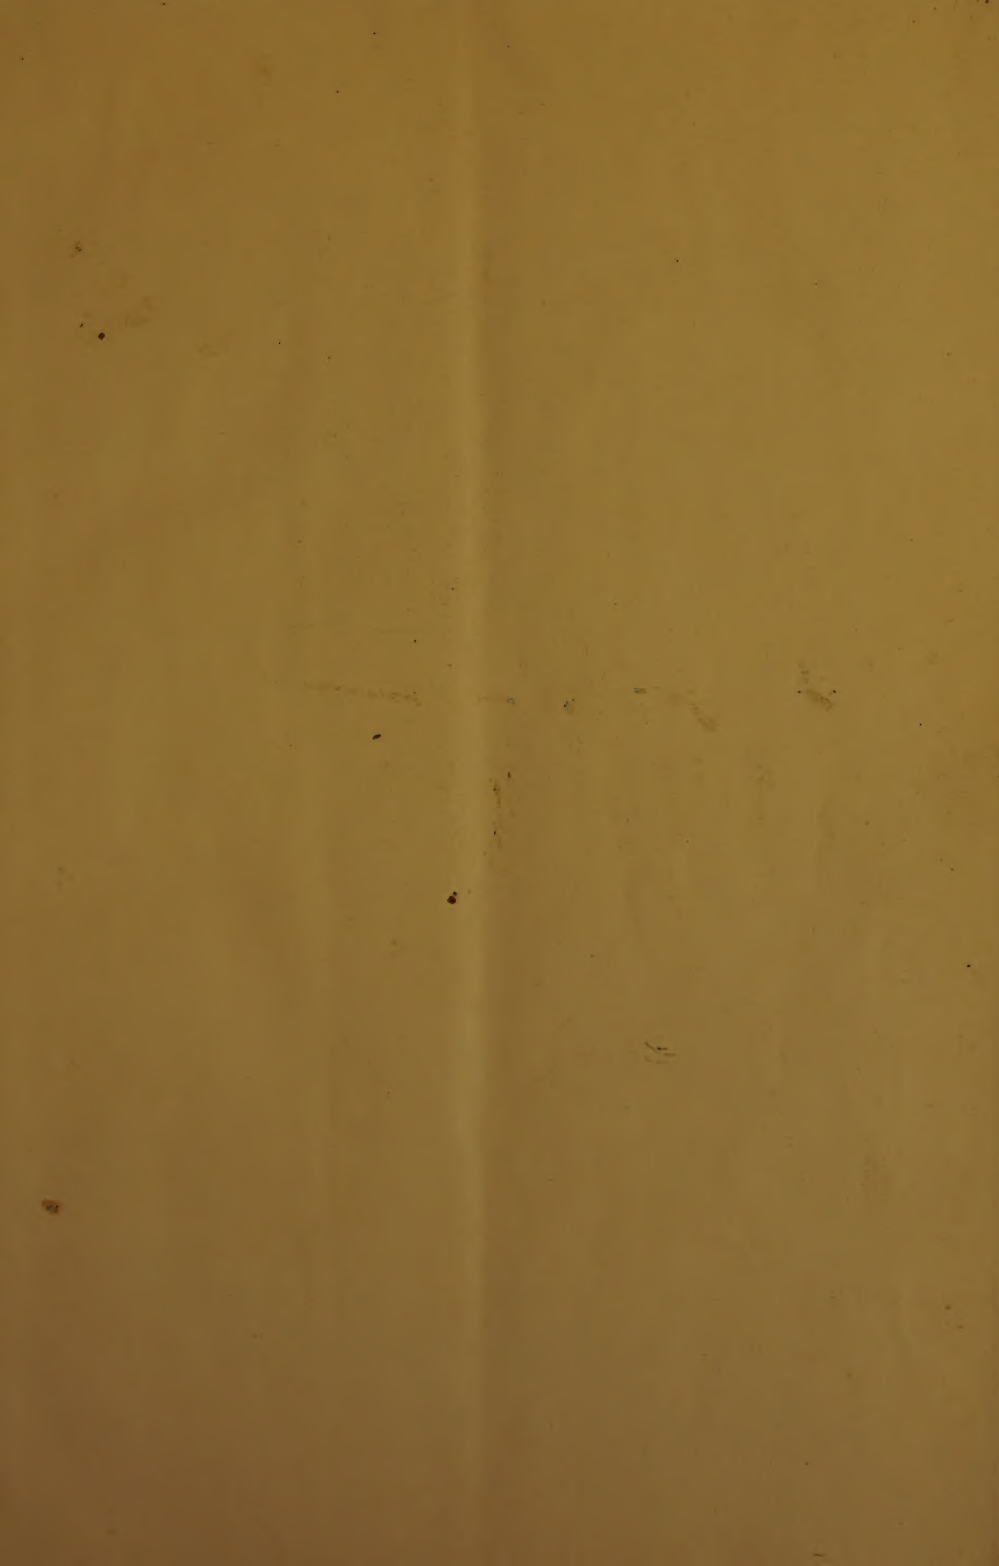

Studies in crop physiology : Fertiliser effects upon water relation of potato plant during successive stages of soil desiccation.....K. N. Lal and R. N. P. Srivastava.	93
Role of heterochromatin.....R. S. Roy.	113
Proliferation and some other abnormalities in the inflores- cences of some grasses.....Reayat Khan.	119
A preliminary note on the minimum period of 'short-days' required for early heading in paddy and its application under field conditions.....A. B. Saran.	127
Pollen grain of Sterculiaceæ.....C. Venkata Rao.	130

No. 3

The calcium content of the foliage of sal and its common associates in the Dun Valley..G. S. Puri and A. C. Gupta	139
Studies in Indian Anthocerotaceæ. I. The morphology of <i>Anthoceros crispulus</i> (Mont.) Douin....D. C. Bhardwaj.	145
Contributions to the embryology of Sterculiaceæ—II. <i>Wal- theria indica</i> Linn.....C. Venkata Rao.	163

H15820
6625
S. 12/5/50

A preliminary note on the Indo-Burmese species of <i>Grewia</i> Linn.....	V. Narayanaswami and R. Seshagiri.	177
A new species of <i>Artemisia</i> from Kurram Valley.....	N. A. Qazilbash.	190
Microfossils from the Cambrian strata of the Salt Range, Punjab.....	A. K. Ghosh.	194
Investigation of certain chemical factors affecting the growth of fungi in mangoes.....	S. Sinha.	197
Development of the embryo in <i>Trigonella Fœnum-Græcum</i> L.....	M. Anantaswamy Rau.	210
Plant impressions from the Coal-Measures of Southern Shan States, Burma.....	B. S. Trivedi.	214
Aerial roots in some tropical rain forest plants.....	T. Ananda Rao, H. C. Govindu and M. J. Thirumalachar	225
Foliar sclereids in the Oleaceæ.....	T. Ananda Rao.	221
Obituary, Professor Karam Chand Mehta.....		227
Photostat service unit at the Central Research Institute, Kasauli.....		229
